Project Title: University Police Building Project

Project Applicant: California State University, East Bay

Project Location - Specific:

25800 Carlos Bee Boulevard, Hayward, CA 94542

Project Location - City: Hayward

Project Location - County: Alameda

Description of Nature, Purpose and Beneficiaries of Project:

California State University East Bay proposes a new University Police Building on the Hayward campus. The facility will be situated at the site of the former Welcome Center in the western portion of the campus. The Welcome Center is a single-story modular structure of approximately 1,590 gross square feet (gsf). The Campus proposes to remove the modular and build a single-story building of approximately 7,500 gsf. Once the building is constructed, it will be occupied by the University Police Department, which is currently housed in the west wing of the Library Building.

Name of Public Agency Approving Project: Trustees of the California State University

Name of Person or Agency Carrying Out Project: California State University, East Bay

Exempt Status: **(check one):**

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: Class 3, Section 15303; Class 32, Section 15332
- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The proposed building is an infill project on the Hayward Campus, on a site that is already disturbed and developed with a small building and does not contain any sensitive resources. The site is not on a list of hazardous materials sites. The site is served by existing utilities and services. The project would not increase campus population and therefore not result in traffic, air quality or other environmental effects. The project does not conflict with the CSUEB Hayward Campus Master Plan.
