STATE CLEARINGHOUSE

Dear Ms. Rodriguez:

The Department of the Army (Army) announces a review period extension of public availability for review of the Draft Programmatic Environmental Assessment (PEA) and Draft Finding of No Significant Impacts (FNSI) for the construction and demolition activities required to modernize terminal operations at Military Ocean Terminal Concord (MOTCO) to end 8 January 2021.

The public review began on 23 November 2020, and comments must be received by 8 January 2021, to be considered for incorporation into the Final PEA. Please mail any questions or comments to: U.S. Army, Attn: Guy Romine, MOTCO Environmental Manager at 410 Norman Avenue, Concord, CA 94520; or email: [guy.k.romine.civ@mail.mil](mailto:guy.k.romine.civ@mail.mil).

Your prompt attention to this request is greatly appreciated. If you require additional information or have any questions, please contact Mr. Guy Romine at (925) 246-4024.

Sincerely,

Guy Romine  
Environmental Manager  
Military Ocean Terminal Concord
