Project Title: CUP 2019-16/Inyo Face Cannabis CultivationLead Agency: Inyo CountyContact Name: Cathreen RichardsEmail: crichards@inyocounty.usPhone Number: 7608780447Project Location: Community of Charleston View
*City*Inyo
County

Project Description (Proposed actions, location, and/or consequences).

This is an application for a Conditional Use Permit (CUP) 2019-16/Inyo Face - Cannabis Cultivation to be located in the remote southeast Inyo County community of Charleston View.

The project consists of the construction of an 18,504-sqft building for cannabis cultivation greater than 5,000-sqft that includes growing, harvesting and processing (drying, curing and trimming). This project has been applied for concurrently with a retail cannabis business to be located on a parcel directly north of the cultivation project.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

No, the project will not impact or degrade the quality of the environment. The limited impacts to resources on the project area can be mitigated to less than significant. Minimization measures have been written into the Conditions of Approval for the permit & include the following: the applicant shall conduct additional surveys (pre-construction) to ensure the absence of sensitive plant or animal species; the applicant shall follow the County 's General Plan Visual Resources Policy 1.6- Light and Glare; sewage disposal & odors will be addressed per the Inyo County Environmental Health Department requirements; the applicant shall consult with the County Environmental Health Department to assure that all septic requirements and water well standards are met; the applicant will work with the Great Basin Unified Air Pollution Control District to develop practices for crop applications that control for the terpenes from cannabis plants that cause odors, as well as fugitive dust during construction; the applicant will work with the County Road Department to obtain the necessary encroachment permits for the Old Spanish Trail Highway and ensure the weight limits for it will not be exceeded; and, the applicant shall work with the Lahontan Regional Water Quality Control Board to determine if an application for a Stormwater Pollution Prevention Plan (S.W.P.P.P) permit is necessary.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
