Present Land Use/Zoning/General Plan Designation:

Existing pedestrian bridge/Coastside Commercial Recreation & Planned Unit Development/Coastside Commercial Red & Regional Public Rec.

Project Description: *(please use a separate page if necessary)*

The County proposes to remove the existing concrete arch bridge and metal pedestrian bridge and install a new aluminum pedestrian bridge crossing the Arroyo de en Medio. To protect the bridge, trail, roadway, and utilities, the project would install shotcrete walls with tieback anchors as well as rock slope protection along the bluff face and sections of the north and south banks of the Arroyo de en Medio. The project also includes relocation of existing utilities supported by the existing bridge.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
If you have already sent your document to the agency please denote that with an "S".
