**PUBLIC NOTICE NOTICE OF INTENT TO REVIEW AND ADOPT A MITIGATED NEGATIVE
DECLARATION**

The Amador County Department of Transportation and Public Works has prepared a draft Initial Study and Mitigated Negative Declaration Report (IS/MND) for the Old Amador Road Bridge Replacement project and is inviting your comments. The draft IS/MND has been placed on the County website. Hard copies of the draft IS/MND are available upon request through the Department general phone number at 209-223-6429 or at the Transportation and Public Works counter. Comments must be received by **Monday, January 4, 2021**, to be included in final document consider by the decision-making authorities. Please send written comments to the following address: **Mark Hopkins, Senior Project Manager, 810 Court Street, Jackson, CA 95642** or email your comments to mhopkins@amadorgov.org with “Old Amador Road Bridge” in the subject line

Subject: The Amador County Transportation and Public Works (County) proposes to replace the existing single-lane Old Amador Road Bridge (Bridge No. 26C-0042) over Rancheria Creek with a new single-lane bridge (proposed project). The project site is located along Old Amador Road, approximately 0.8 miles northwest of Amador City, California. The new replacement bridge is proposed to be a single-, cast-in-place, pre-stressed concrete slab bridge with a span of approximately 80 feet long and a width of 20 feet.

Recommended Findings: The recommended finding is that the project will not have a significant effect on the environment.
