Present Land Use/Zoning/General Plan Designation:

Vacant land with A-1-15000 zoning, Light Agriculture GP designation (County of Los Angeles)

Project Description: (please use a separate page if necessary)

The Project would annex an approximately 19.44-acre undeveloped parcel in the West Claremont portion of unincorporated Los Angeles County into the City of La Verne and the development of seven single-family dwelling units and associated infrastructure. Due to the existing topography of the site, combined with the City limitations regarding hillside development, only the southern portion of the Project Site would be developed.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
