FROM: Central Valley Flood Protection Board
 3310 El Camino Avenue, Suite 170
 Sacramento, CA 95821
 Jennifer Calles, (916) 480-5413

SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108.

State Clearinghouse Number (SCH No.): 2020120237

Project Title: Permit No. 19572 – Yuba River North Training Wall Project: Phase 1 (Reshaping and Excess Material Removal)

Project Applicant: Yuba County

Lead Agency/Address: Three Rivers Levee Improvement Authority (TRLIA) c/o GEI Consultants, 2868 Prospect Park Drive, Suite 400, Rancho Cordova, CA, 95670

Lead Agency Contact Person: GEI Consultants, c/o Anne King, (916) 382-7833

Project Location/City/County: The Yuba River North Training Wall Project (Project) is located along the north bank of the Yuba River just downstream from the Daguerre Point Dam and approximately 7 miles upstream from the City of Marysville, in Yuba County. The Project site is also located approximately 1.5 miles upstream from current State Plan of Flood Control levees along the Yuba River.

Project Description: Approval of Permit No. 19572, under California Code of Regulations, Title 23, Article 3, Section 6, for work within an adopted plan of flood control: to regrade the existing North Training Wall (NTW) cobble embankment to establish a stable embankment geometry. The proposed grading work involves constructing a 2.25-mile-long, 30 feet wide embankment with 5H:1V slope on the landside and 3H:1V slope on the waterside. The embankment crown elevation will be raised 5 feet above the 200-year water surface elevation.

This is to advise that the Central Valley Flood Protection Board, as the **Responsible Agency**, approved the above described project on February 26, 2021, and made the following determinations regarding the above described project:

1. The project [will / will not] have a significant effect on the environment (This determination is limited to effects within CVFPB's permitting jurisdiction as a responsible agency).
2. [An Environmental Impact Report / A Mitigated Negative Declaration] was prepared by the lead agency for the original project.
3. Additional mitigation measures [were / were not] made a condition of CVFPB's approval of the project.
4. A Mitigation Monitoring and Reporting Plan [was / was not] adopted by CVFPB for this project
5. A Statement of Overriding Considerations [was / was not] adopted by CVFPB for this project.
6. Findings [were / were not] made by CVFPB pursuant to the provisions of CEQA.

Responsible Agency Statement: This Mitigated Negative Declaration, prepared by the lead agency for the project, is available to the general public at the lead agency's office listed above. CVFPB's administrative record related to the encroachment permit is available for public review at CVFPB's office.
