Project Title: Construction of storm-water pipelines and expanding excavation of the Valley View Basin

Project Applicant: City of Selma

Project Location - Specific:

The basin is located on the south side of Valley View Street, west of McCall Avenue, more specifically bound by Valley View to the north, the Selma Branch Canal to the east and south, and a residential subdivision to the west. The storm drain pipeline will extend from the basin east to McCall, and north on McCall to Todd Street.

Project Location - City: Selma Project Location - County: Fresno

Description of Nature, Purpose and Beneficiaries of Project:

The project will be designed to convey, infiltrate, and/or use 46 acre-feet per year of dry weather urban runoff and the first flush of storm water from 65 acres of tributary area to reduce pollutant discharges to Consolidated Irrigation District canals.

Name of Public Agency Approving Project: City of Selma

Name of Person or Agency Carrying Out Project: Kira Noguera
