RE: SCH #2020120283; Mariposa Annexation DEIR

Dear Meng,

In regard to SCH #2020120283 (Draft Environment Impact Report for the Mariposa Industrial Park Annexation project) with the City of Stockton, the City would like to temporarily pause our public review period start date while we work out some new details with our CEQA Consultant, BaseCamp Environmental Inc. We anticipate making some changes to the document and submitting a revised version of the DEIR this week.

If you have any questions, please do not hesitate to contact me at [nicole.moore@stocktonca.gov](mailto:nicole.moore@stocktonca.gov) or (209) 937-8195.

Regards,
