## PROJECT DESCRIPTION

The project proposes to lease storage space at 1101 S Street in Sacramento, California. This space will be utilized for construction and maintenance equipment and supplies for various CAL FIRE tradesmen employees. The property is comprised of 12,800 square feet of land area and an approximately 600 square feet metal building. The space has previously been used for automotive repair and the perimeter is secured with wire and wood fencing. The site is currently being utilized as a parking lot and storage shop. No ground disturbance is proposed as the property will be used only for storage of construction tools, equipment, and vehicles. Installation of additional improvements may include security fencing, alarm system, and portable storage containers. The lease is anticipated to remain in effect for three years.

## EXEMPTION STATUS

Categorical Exemption Type/Section: Type 1 Class 1/§15301 Existing Facilities

Statutory Exemption (state code section):  
Ministerial (§21080(b)(1); 15268)  
Declared Emergency (§21080(b)(3); 15269(a))  
Emergency Project (§21080(b)(4); 15269(b)(c))

## REASONS PROJECT IS EXEMPT

This project fits within the above-listed Categorical Exemption listed in the CEQA Guidelines. Field review by CAL FIRE staff confirmed that no exceptions apply which would preclude the use of a Notice of Exemption for this project. CAL FIRE has concluded that no significant environmental impact would occur to aesthetics, agriculture and forestland/timberland, air quality, biological resources, cultural resources, geology and soils, greenhouse gas emissions, hazards and hazardous materials, hydrology and water quality, land use planning, mineral resources, noise, population and housing, public services, recreation, transportation/traffic, or to utilities and service systems. Documentation of the environmental review completed by the Department is kept on file at the CAL FIRE Technical Services office located at 1131 S Street, Sacramento, CA 95811.
