Governor's Office of Planning and Research
State Clearinghouse
1400 Tenth Street, Room 113
Sacramento, CA 95812

FROM:

State Water Resources Control Board
Division of Financial Assistance
1001 I Street, 16th Floor
Sacramento, CA 95814

STATE CLEARINGHOUSE NUMBER: 2021010065

PROJECT NUMBER: 3910012-001C

PROJECT TITLE: Century Mobile Home Park and Sunny Road Water System Consolidation with City of Stockton (Project)

PROJECT LOCATION: Along Kingsley Road and Sunny Road south of Stockton, California 95215

PROJECT DESCRIPTION: The State Water Resources Control Board (State Water Board) is a Responsible Agency for the Project. The State Water Board's Drinking Water State Revolving Fund (SRF) Program is financing the Project. The Project includes consolidation of Century Mobile Home Park, Silvio-Avalos property, and interested residences in the Project's vicinity to the City of Stockton's water system. The Project construction includes installation of a 12-inch diameter water line of approximately 1,100 linear feet along Highway 99 Frontage Road (Kingsley Road) to Century Mobile Home Park. This extension will connect to an existing water main in south Stockton. Additionally, a 12-inch diameter water line will be installed from Kingsley Road extension along Sunny Road to Silvio-Avalos property. The water lines will be installed within existing rights-of-way. Short spurs from the water line will extend out several feet to serve fire hydrants and to provide water service to adjacent parcels at a few locations along the pipeline alignments. Existing wells from both water systems will also be filled and abandoned. Construction of the Project will involve trenching, pipeline installation, and backfilling of the trenches.

PUBLIC AGENCY APPROVING PROJECT AND CARRYING OUT PROJECT: The State Water Board has approved SRF financing for the Project described above on June 14, 2023 and determined that the Project is exempt from the California Environmental Quality Act. The City of Stockton will be carrying out the Project.

CATEGORICAL EXEMPTION STATUS:

Class 3: New Construction or Conversion of Small Structures

(California Code of Regulations, title 14, division 6, chapter 3, article 19, section 15303)

REASON WHY PROJECT IS EXEMPT: The Project has been determined to meet the requirements of the exemption selected above and will not have a significant impact on water quality. The Project qualifies for exemption because it involves installation of water main extensions of reasonable length and is considered construction of new, small facilities or structures.

LEAD AGENCY: City of Stockton

LEAD AGENCY CONTACT PERSON: Danny Trejo

PHONE NUMBER: (209)-937-8782

A record of financing approval for the Project is available to the general public at the State Water Board, Division of Financial Assistance at 1001 I Street, 16th Floor, Sacramento, CA 95814. Pursuant to the California Department of Fish and Wildlife (CDFW) Code, Section 711.4(d)(1), the CDFW environmental review filing fees do not apply to exempt projects.
