**Project Title:** Anderson River Park Trail and Levee Storm Damage Rehabilitation

**Project Location:** 2800 Rupert Road, in the Anderson River Park, along the levee between the Sacramento River and the Pond in the Park.

**Project City:** Anderson

**Project County:** Shasta

**Project Description:** The project will rehabilitate the levee and levee trail system, including placement of rock slope protection in the Sacramento River bank and placement of concrete, filter fabric, aggregate base and hot mix asphalt concrete pavement for the trail. Vegetation removal, excavation, and erosion control will be performed. The project is located in Section 12, Township 30 N and Range 4 W.

**Public Agency Approving Project:** City of Anderson  
1887 Howard Street  
Anderson, CA 96007

**Name of Person/Agency or Carrying Out Project:** City of Anderson, 1887 Howard Street, Anderson, CA 96007

- Exempt Status:**
- Ministerial §
  - Declared Emergency §
  - Emergency Project §
  - Categorically Exempt §15301, Class 1(c) *Operation, repair, maintenance, permitting, leasing, licensing, or minor alternation of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use.*
  - Statutory Exempt §

**Reason for Exemption:** The levee and recreational trail was damaged in the Winter storms in 2017. The project will restore the levee and trail with minor alternations. A biological assessment was performed and significant impacts associated with the project were not identified. Erosion control activities will be performed to avoid significant impacts. A cultural resources screening review was performed and resource sites were not identified. Through project design and implementation, project-related impacts will be reduced to a level not likely to adversely affect endangered or sensitive species and/or their habitats.
