INTRAOFFICE MEMORANDUM

DATE: January 3, 2022
TO: County Clerk
FROM: Hector Guerra, Chief Environmental Planner, RMA
SUBJECT: Review Period Extension for Visalia Landfill Compost and Biomass Conversion Facility (SCH# 2021020054)

Pursuant to CEQA Guidelines § 15087, the County of Tulare Resource Management Agency (RMA) submitted the Draft Environmental Impact Report (EIR) to the State Clearinghouse on Friday, December 3, 2021, for a public review and comment period beginning Friday, December 3, 2021, and ending on Monday, January 17, 2022. RMA previously extended the review period to January 21, 2022. Please note, RMA has again extended the review and comment period which will now end on Friday, January 28, 2022.

Please note that due to an update to the County's website the link previously provided has been changed. The environmental documents are now available on the RMA Environmental Planning website at:

<https://tularecounty.ca.gov/rma/planning-building/environmental-planning/environmental-impact-reports/visalia-landfill-compost-and-biomass-conversion-facility/>.

Thank you.

A handwritten signature in cursive script that reads "Hector Guerra".
