**COUNTY OF SOLANO
NOTICE OF INTENT TO ADOPT A
MITIGATED NEGATIVE DECLARATION**

The Solano County Department of Resource Management has evaluated the project described below and has determined that a Mitigated Negative Declaration of environmental impact be prepared pursuant to the California Environmental Quality Act.

Use Permit U-19-09 (**E&C Winery**) to establish a large winery and event facility on two parcels totaling approximately 70-acres (APN 027-251-280=20 acres, and 027-251-290=49 acres). The winery has frontage on Rockville Road on the north and Russell Road on the east. The proposed winery will be built in three phases over approximately 10 years and have an initial production capacity of 125,000 gallons with an ultimate production capacity of 2,000,000 gallons. The winery will process grapes grown both onsite and offsite. Onsite activities include receiving and crushing grapes, fermentation, processing grape juice into wine, bottling and cooperage, sales, hospitality and administration.

Copies of the environmental document are available for public review at the Solano County Department of Resource Management, 675 Texas Street, Suite 5500, Fairfield, California, and at www.solanocounty.com under Resource Management Department, Documents, Departmental Reports. Written comments on the proposed Negative Declaration will be accepted until 5:00 p.m. on March 18, 2021, and can be sent to Planning@SolanoCounty.com.
