Project Title: Bear River Setback Levee Project

Project Applicant: Reclamation District No. 817

Project Location (include county): Bear River levee stations 125-237, Sutter County and privately owned

Project Description:

Reclamation District No. 817 plans to address continued erosion and associated flood risk by constructing approximately 2,800 linear feet of setback levee, degrading the same stretch of existing levee, and using the degrade material to buttress a section of the existing levee on the north bank of the Bear River beginning at the tie-in location of the setback levee and extending up to 8,500 feet downstream.

This is to advise that the Reclamation District No. 817 has approved the above (Lead Agency or Responsible Agency)

described project on May 20, 2021 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
