Subject: Response to Comments – Mitigated Negative Declaration for the Proposed Lift Station No. 2 Replacement Project, City of Laguna Beach, Orange County, California

Mr. Mayer:

The South Coast Water District (SCWD) has completed the responses to comments that were received on the Public Review Draft Initial Study/Mitigated Negative Declaration (IS/MND) for the South Coast Water District Lift Station No. 2 Replacement Project (Project). SCWD is informing those that have provided comments that the Response to Comments document is available for review on the SCWD website at www.scwd.org. The SCWD Board of Directors will be deliberating on the adoption of the Final IS/MND which includes both the Draft IS/MND and the Response to Comments as well as deliberating on the approval of the Project at its May 27, 2021 at 6:00 pm. If you have questions, please contact Taryn Kjolsing, Principal Engineer by email at tkjolsing@scwd.org.

Sincerely,

Taryn Kjolsing, P.E.
Principal Engineer
South Coast Water District
