

## Notice of Preparation

---

**TO:** Agencies, Organizations, and Interested Parties

**FROM:** City of Long Beach Development  
Services 411 W. Ocean Boulevard  
Long Beach, CA 90802  
Contact: Amy L. Harbin, Planner, Development Services Department

**SUBJECT:** Notice of Preparation of a Draft Environmental Impact Report and Public Scoping Meeting for the Long Beach RiverPark Residential Project

Pursuant to Public Resources Code Section 21165 and the California Environmental Quality Act Guidelines (CEQA Guidelines) Section 15050, the City of Long Beach (City) is the Lead Agency responsible for preparation of an Environmental Impact Report (EIR) addressing potential impacts associated with the proposed Project.

The purpose of this notice is: (1) to serve as a Notice of Preparation (NOP) of an EIR pursuant to the CEQA Guidelines Section 15082; (2) to advise and solicit comments and suggestions regarding the scope and content of the EIR to be prepared for the proposed Project; and (3) to serve as a notice of a Public Scoping Meeting to be held by the City. The City, as Lead Agency, respectfully requests that any Responsible or Trustee Agency responding to this notice respond in a manner consistent with State CEQA Guidelines Section 15082(b). Comments and suggestions should, at a minimum, identify the significant environmental issues, reasonable alternatives, and mitigation measures that should be explored in the EIR, in addition to whether the responding agency will be a responsible or trustee agency for the proposed Project, and any related issues raised by interested parties other than potential responsible or trustee agencies, including interested or affected members of the public.

**PROJECT TITLE:** Long Beach RiverPark Residential Project

**PROJECT LOCATION:** The proposed Project is located on an approximately 20-acre Project site, which was formerly a facility used to treat production water from oil wells in the City of Long Beach. The Project site is located in the neighborhood of Wrigley Heights in the City of Long Beach, within Los Angeles County. The Project site borders the Los Angeles River to the west, Interstate 405 (I-405) to the north, Golden Avenue to the east, and Wardlow Road to the south.

Regional access to the project area is provided by I-405 and Interstate 710 (I-710). I-405 runs east-west and connects to the regional roadway on Pacific Avenue east of the Project site, while I-710 runs north-south and connects to Wardlow Road south of the Project site (N/B on-ramp and S/B off-ramp only).

**PROJECT DESCRIPTION:** The Project Applicant, Integral Communities, proposes a residential development project on 20 acres of vacant land in the neighborhood of Wrigley Heights in the City of Long Beach. The gated residential development will include 226 single-family detached and attached homes, with 11 affordable housing units. The residential project will include a mix of single-family detached homes, carriage townhouses, row townhouses, streets, parking areas, and open space with built in trails. Three quarters of the site will be used for residential development at approximately 15 acres, and 5 acres of the site will be used for open space with recreational facilities. The primary components of the development area are further divided into single-family

lots with 74 condominium units, carriage townhouses with 53 dwelling units, row townhouses with 99 dwelling units, and 510 parking spaces for both residents and guests. The site will be remediated prior to construction according to a Remediation Action Plan approved by RWQCB.

**POTENTIAL ENVIRONMENTAL EFFECTS:** Potentially significant adverse environmental impacts associated with the proposed Project include Air Quality, Biological Resources, Cultural Resources, Geology and Soils, Greenhouse Gas Emissions, Hazards and Hazardous Materials, Hydrology and Water Quality, Noise, and Transportation. These topics will be addressed in the EIR. In addition, the EIR will describe and evaluate project alternatives that may reduce or avoid any identified significant adverse impacts of the project. Unless new information identifying other potential impacts is presented during the scoping process, the following topics will not be discussed further in the EIR: Aesthetics, Agriculture and Forestry, Energy, Land Use and Planning, Mineral Resources, Population and Housing, Public Services, Recreation, Tribal Cultural Resources, Utilities, and Wildfire.

**PUBLIC REVIEW PERIOD:** Pursuant to CEQA Guidelines Section 15082, responsible and trustee agencies and other interested parties, including members of the public, must submit any comments in response to this notice no later than 30 days after receipt. The Notice of Preparation (NOP) and accompanying Initial Study are available for a 30-day public review period beginning **February 25, 2021** and ending **March 29, 2021**.

Due to the COVID-19 pandemic, all City facilities including City Hall and the Libraries have been closed until further notice. The Initial Study, proposed Negative Declaration, and supporting materials are available for public review on the City's website at: <http://www.longbeach.gov/lbds/planning/environmental/reports/> and at the State Clearinghouse website at: <https://ceqanet.opr.ca.gov>

Additionally, a copy of the NOP was published in the Long Beach Press Telegram.

**RESPONSES AND COMMENTS:** The City will accept written comments only during the aforementioned public review period. Please indicate a contact person for your agency or organization and send your written comments to Amy Harbin, Planner, Development Services Department, of the City of Long Beach at the above address, or by e-mail at [LBDS-EIR-Comments@longbeach.gov](mailto:LBDS-EIR-Comments@longbeach.gov)

**SCOPING MEETING:** As a part of the NOP process, the City will conduct a Public Scoping Meeting in order to present the proposed Project and environmental process and to receive public comments and suggestions regarding the proposed Project. The Scoping Meeting will be held via webconference per Executive Order N-25-20, signed by the California governor Gavin Newsom.

### **Meeting Information**

Date: March 24<sup>th</sup>, 2021

Time: 5:00 pm to 7:00 pm
