Project Title: Broadway Creek Restoration Project

Project Applicant: City of El Cajon Public Works Department

Project Location (include county): Portion of Broadway Creek El Cajon, San Diego

**Project Description:**

The project proposes to rehabilitate the stream functions and address erosion within a 1,771 linear foot reach of an existing flood channel within City right-of-way. The project consists of trash removal, removal of exotic and invasive plant material, restoration of the channel's embankment contours and stabilization of the embankment with installation of articulated concreted blocks that would be buried and landscaped with native riparian and wetland plants.
