Good afternoon,

Special Projects Section (SPS) recently received the referenced Notice of Environmental Impact document from the State Clearinghouse (SCH) outlined in the following Web site:

<https://ceqanet.opr.ca.gov/2021030193>

Due to the project's geographical proximity to the San Bernardino Area, please use the attached checklist to assess its potential impact to local Area/Section operations and public safety. If impact is determined, responses should be e-mailed directly to **City of San Bernardino (Lead Agency)** with cc to SCH and myself.

CC to Division FYI only.

Please feel free to e-mail me if you have any questions.

Thank you!

Kind regards,

Blanca Enciso
