The Yuba County DRC will consider the following:

Environmental Assessment EA2020-0005 (Long Bar Salmonid Habitat Restoration Project): USFWS requests an Environmental Assessment to restore and enhance the ecosystem of the lower Yuba River in order to improve habitat suitable for rearing juvenile salmonids to increase the natural production of fall-run and spring-run Chinook salmon and Central Valley steelhead. The project has a Zoning Designation of Extractive (EX) and a General Plan Designation of Rural Community (RC) and is located on the Yuba River, about 9 river miles downstream from Englebright Dam and 16 miles upstream from the City of Marysville, in the community of Browns Valley.

The Development Review Committee will be considering adoption of the Mitigated Negative Declaration pursuant to the California Environmental Quality Act. The public comment period for both Mitigated Negative Declarations is March 19, 2021 to April 17, 2021.

Any person wishing to testify on the above project or the adoption of the proposed Mitigated Negative Declaration may appear before the DRC at the prescribed time and place, or may submit written comments or objections to the Community Development and Services Agency at 915 8th Street, Suite 123, Marysville, CA 95901, prior to the hearing. Copies of the staff recommendation are available for inspection at the same address. Copies of Mitigated Negative Declaration will also be available at the same address during the public comment period. If you have any questions, you may contact Kevin Perkins at (530) 749-5470.

The **Development Review Committee's** action on the project may be appealed by any interested person to the Board of Supervisors by filing a written appeal with the Planning Department within 10 days following the **Development Review Committee's** final action on the project. If the Board of Supervisors is the final Approving Authority, or if the project is appealed to the Board, the Board's action is final.

If you challenge the action of the **Development Review Committee** on this matter in court, pursuant to Government Code section 65009 you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice, or in written correspondence delivered to the Planning Department at, or prior to the hearing.
