SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code Section 21108.

State Clearinghouse Number (SCH No.): 2021030186

Project Title: Permit No. 13656-1 – Sump Station Facilities Improvement Project: Sump 089

Project Applicant: City of Sacramento

Lead Agency/Address: City of Sacramento, 300 Richards Blvd, 3rd Floor, Sacramento, CA, 95811

Lead Agency Contact Person: Adam Lau, 916-808-1418, alau@cityofsacramento.org

Project Location/City/County: The project is located 0.9 miles east of Interstate 5, and just west of the Beach Lake Levee in the City and County of Sacramento.

Project Description: Approval of Permit No. 13656-1, under California Code of Regulations, Title 23, Article 3, Section 6, for work within an adopted plan of flood control: To remove and replace three sections of 42-inch diameter welded steel pipe, each of approximate length of 78-feet (cumulative length of approximately 235 feet) and approximately 105-feet of 18-inch diameter welded steel pipe. Additional improvements include the installation of a positive closure device at the landside hinge of the levee, removal and replacement of the following features: an existing level sensor conduit, approximately 260 feet of the existing floodwall, an existing fence at the pump station near the landside toe, an existing waterside outfall structure along with rock slope protection, and approximately 1,600 square feet of the concrete apron on landside levee slope. The project will also require the removal of two trees along with minor trimming of riparian vegetation near the outfall structure. A temporary cofferdam will be used for the construction.

This is to advise that the Board, as the **Responsible Agency**, approved the above-described project on March 28, 2025 and made the following determinations regarding the above-described project:

1. The project [will / will not] have a significant effect on the environment (This determination is limited to effects within the Board’s permitting jurisdiction as a responsible agency).
2. [An Environmental Impact Report (EIR) / A Mitigated Negative Declaration] was prepared by the lead agency for the original project.
3. Additional mitigation measures [were / were not] made a condition of the Board’s approval of the project.
4. A Mitigation Monitoring and Reporting Plan [was / was not] adopted by the Board for this project
5. A Statement of Overriding Considerations [was / was not] adopted by the Board for this project.
6. Findings [were / were not] made by the Board pursuant to the provisions of CEQA.

Responsible Agency Statement: The Mitigated Negative Declaration, prepared by the lead agency for the project, is available to the general public at the lead agency’s office listed above. The Board’s administrative record related to the encroachment permit is available for public review at the Board’s office.
