Project Title: Citywide Sewer Replacment

Project Applicant: City of Ferndale

Project Location (include county): City of Ferndale, Humboldt County, CA

Project Description:

In an effort to reduce I&I and create a more efficient system, the City is proposing a series of sewer line replacements. Typical sewer line replacement will involve excavation of the existing pipeline in existing street right of ways and utility easements, installation of new plastic pipeline (PVC, polyethylene, or other plastic material), backfill, and patching of disturbed street areas.

This is to advise that the City of Ferndale has approved the above (Lead Agency or Responsible Agency)

described project on May 19, 2021 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

City of Ferndale City Hall, 834 Main Street, Ferndale, CA 95536
