Project Title: King City Roundabout Initial Study / MND

Project Applicant: City of King

Project Location (include county): Intersection of Broadway Street and San Antonio Drive, King City, CA

Project Description:

The proposed roundabout involves the redesign of an out-of-date traffic intersection located at Broadway Avenue and U.S. Highway 101. This intersection currently has five roadways intersecting at the same location, those roadways being Broadway Street, San Antonio Drive, San Lorenzo Park Road and the U.S. Highway 101 northbound on-and off-ramps. The proposed roundabout will replace the two existing stop signs and one traffic signal that currently control traffic circulation at this location.

This is to advise that the City of King Planning Commission has approved the above (Lead Agency or Responsible Agency)

described project on May 18, 2021 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: 212 S. Vanderhurst Avenue, King City, CA 93930
