Project Description: (please use a separate page if necessary)

In June 2017, the MND for the Pomona Corporate Yard Facility Project (2017 IS/MND) was adopted, for the remediation and reconstruction of a new Corporate Yard Facility for the City of Pomona Water Resources Department (Department). Since adoption, some remediation at the project site has been completed, some buildings have been removed, and the City's Historic Advisory Commission and the City Council have asked the Department to redesign the project to relocate, rebuild, and reuse an existing Nationally Registered Historic Stables Structure. As such, this proposed project involves completion of the Pomona Corporate Yard Facility improvements, including construction of the Annex Lot, relocation, remediation, and reconstruction of the Water Yard, and the relocation and reconstruction of the Pomona Stables.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
