Project Title: HVAC and Re-roof at EDD Pasadena Building

Project Location – Specific: 1207 E. Green Street, Pasadena, CA 91106

Project Location - City: Pasadena

Project Location - County: Los Angeles

Description of Nature, Purpose and Beneficiaries of Project:

The proposed project includes replacement of the existing rooftop HVAC system and removing built-up roof system to the deck and installing a single ply roof membrane on EDD's Pasadena Building. All hazardous materials will be abated. Current roof is in poor condition and replacement will avoid roof failure which can lead to further structural damage.

Name of Public Agency Approving Project: Employment Development Department

Name of Person Carrying Out Project: Clinton Sierer, Project Director, DGS/RESO/PMDB (916) 375-4352

Exempt Status: Categorical Exemption: Section 15301 – Existing Facility

Reasons why project is exempt:

Class 1 exemption allows for the operation, repair, maintenance or minor alteration of existing public structures and facilities including restoration or rehabilitation of deteriorated or damaged structures, facilities, or mechanical equipment to meet current standards of public health and safety, that involve negligible or no expansion of use beyond that existing at the time of the lead agency's determination. The State confirms that no exceptions apply which would preclude the use of an exemption for this project. The project will not have a significant effect on resources in the area.
