Project Title: UC Merced Educational Building Project
Project Applicant: University of California
Parties Undertaking Project: University of California
Project Location: Merced Campus
County: Merced County

Project Description: The UC Merced Medical Education Building will house the medical education program, developed in partnership with UCSF and UCSF-Fresno, allied healthcare-related programs developed in partnership with community colleges, the departments of Psychological Sciences and Public Health, the Health Sciences Research Institute, and a range of medical education and general assignment learning environments. The building will also house specialty learning spaces for medical education, general assignment classrooms, and class laboratories to support several new and existing academic programs. The building will be approximately 199,500 gross square feet in size, with four floors, all electric, and meet the Leadership in Energy and Environmental Design (LEED™) Platinum standard.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described project on *May 18, 2023*, and has made the following determinations:

1. The Project would not cause any new significant environmental impacts nor an increase in the severity of significant impacts previously studied in the UC Merced Medical Education Building Environmental Impact Report (EIR).
2. Addendum #1 to the UC Merced Medical Education Building EIR was prepared for this project pursuant to the provisions of CEQA.
3. Relevant mitigation measures from the UC Merced Medical Education Building EIR were made a condition of the approval of the project.
4. The implementation of applicable UC Merced Medical Education Building EIR mitigation measures will be monitored and reported pursuant to the UC Merced Medical Education Building EIR’s Mitigation Monitoring and Reporting Program.
5. A Statement of Overriding Consideration was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that Addendum #1 to the UC Merced Medical Education Building and record of project approval is available to the general public at: University of California, Physical and Environmental Planning, UC Merced Downtown Campus Center 655 18th Street, Merced, CA 95340 and <https://planning.ucmerced.edu/ceqa-environmental-documents>.
