Solar Energy Project - Cerritos Elementary School
Project Title

13600 183rd Street
Project Location - Specific

Cerritos
Project Location - City

Los Angeles
Project Location - County

The District proposes to install solar energy array on an elevated carport-like structure (Structure A) at Cerritos ES. Structure A would be installed in the southeastern portion of the asphalt play area bordering the playfields and comprised of metal columns and beams supporting array panels. It would be a minimum of 10-foot high and consists of 312 photo-voltaic (PV) modules tilted at a 7-degree angle. Approximately 364 feet of conduits would be installed by directional borings from Structure A to an existing electrical equipment box/pointe of interconnection to the north through paved lots (see Figure 2). The solar system would have the direct current (DC) system size of 130.40 kilowatts (kW). The project would also provide underground conduit for installation of car chargers in the future. However, Installation of car chargers require additional funding and would not be installed at this time. The District and general community will benefit from a reduction in energy consumption and reduced energy costs.

Description of Nature, Purpose, and Beneficiaries of Project

ABC Unified School District
Name of Public Agency Approving Project

ABC Unified School District
Name of Person or Agency Carrying Out Project

Exempt Status: (check one below)

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: §15301 Class 1, Existing Facilities, §15303 Class 3, New Construction or Conversion of Small Structures, §15314 Class 14, Minor Addition to Schools
- Statutory Exemptions. State code number:

The project involves the construction of solar energy array on an elevated structure. The proposed solar panels will not result in an increase in student capacity or an expansion of existing use. No off-campus improvements will occur. Existing use of the facility as an elementary school will stay the same under the proposed project. Therefore, the project is exempt from CEQA under Sections 15301, 15303, and 15314. The proposed project was also reviewed for possible exceptions under Section 15300.2 and found that the exceptions do not apply.

See Attachment to Notice of Exemption for further explanation of the evaluation, which is available at the ABC Unified School District Office, 16700 Norwalk Blvd, Cerritos, CA 90703.
