Solar Energy Project - Kennedy Stem Academy  
Project Title

17500 Belshire Avenue  
Project Location - Specific

Artesia  
Project Location - City

Los Angeles  
Project Location - County

The District proposes to install solar energy array on elevated carport structure (Structure A) at Kennedy Academy. Structure A would be installed over the multipurpose field behind the portable classroom buildings and comprised of metal columns and beams supporting array panels. Structure A would be a minimum of 10-foot high and consists of 228 photo-voltaic (PV) modules tilted at a 7-degree angle. The solar system would have the direct current (DC) system size of 95.760 kilowatts (kW). Approximately 554 feet of conduit would be installed by directional borings from the solar array through paved lots and grass area to an existing electrical equipment box between the school buildings. The project would also provide underground conduit for installation of car chargers in the future. However, installation of car chargers require additional funding and would not be installed at this time. The District and general community will benefit from a reduction in energy consumption and reduced energy costs.

Description of Nature, Purpose, and Beneficiaries of Project

ABC Unified School District  
Name of Public Agency Approving Project

ABC Unified School District  
Name of Person or Agency Carrying Out Project

Exempt Status: (check one below)

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: §15301 Class 1, Existing Facilities, §15303 Class 3, New Construction or Conversion of Small Structures, §15314 Class 14, Minor Addition to Schools
- Statutory Exemptions. State code number: \_\_\_\_\_

The proposed project involves the construction of solar energy array on an elevated structure. The proposed solar array will not result in an increase in student capacity or an expansion of existing use. No off-campus improvements will occur. Existing use of the facility as an elementary school will stay the same under the proposed project. Therefore, the proposed project is exempt from CEQA under Sections 15301, 15303, and 15314. The proposed project was also reviewed for possible exceptions under Section 15300.2 and found that the exceptions do not apply.

See Attachment to Notice of Exemption for further explanation of the evaluation, which is available at the ABC Unified School District Office, 16700 Norwalk Blvd, Cerritos, CA 90703.
