Norwalk, CA 90650

Solar Energy Project - Tetzlaff Middle School
Project Title

12351 Del Amo Boulevard
Project Location - Specific

Cerritos
Project Location - City

Los Angeles
Project Location - County

The District proposes to install solar energy array on an elevated carport-like structure (Structure A) at Tetzlaff MS. Structure A would be installed on the multipurpose field adjacent to the baseball fields and would consist of 504 photo-voltaic (PV) modules tilted at a 7-degree angle. Structure A would be a minimum of 10-foot high and comprised of metal columns and beams supporting array panels. The solar system would have the direct current (DC) system size of 211.680 kilowatts (kW). Approximately 142 feet of conduit would be installed through directional borings from the solar array through paved lots and grass area to an existing electrical equipment box adjacent to the school parking lot. The project would also provide underground conduit for installation of car chargers in the future. However, Installation of car chargers require additional funding and would not be installed at this time. The District and general community will benefit from a reduction in energy consumption and reduced energy costs.

Description of Nature, Purpose, and Beneficiaries of Project

ABC Unified School District
Name of Public Agency Approving Project

ABC Unified School District
Name of Person or Agency Carrying Out Project

CEQA: California Environmental Quality Act

Exempt Status: (check one below)

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: §15301 Class 1, Existing Facilities, §15303 Class 3, New Construction or Conversion of Small Structures, §15314 Class 14, Minor Addition to Schools
- Statutory Exemptions. State code number: _____

The project involves the construction of solar energy array on an elevated structure. The proposed solar array will not result in an increase in student capacity or an expansion of existing use. No off-campus improvements will occur. Existing use of the facility as an elementary school will stay the same under the proposed project. Therefore, the project is exempt from CEQA under Sections 15301, 15303, and 15314. The proposed project was also reviewed for possible exceptions under Section 15300.2 and found that the exceptions do not apply.

See Attachment to Notice of Exemption for further explanation of the evaluation, which is available at the ABC Unified School District Office, 16700 Norwalk Blvd, Cerritos, CA 90703.
