

**NOTICE OF INTENT TO ADOPT A
INITIAL STUDY/MITIGATED NEGATIVE DECLARATION**

The proposed project identified below has been reviewed for environmental impact by the City of Patterson and determined to have no significant effect on the environment that cannot be mitigated. A proposed Initial Study/Mitigated Negative Declaration has been prepared for this project.

PROJECT TITLE: Rogers Road Bridge over Delta Mendota Canal Project

LEAD AGENCY: City of Patterson
Engineering, Building and Capital Projects Department
1 Plaza Circle, P.O. Box 667
Patterson, CA 95363

CONTACT: Tiffany Rodriguez
Capital Projects Manager
tirodriguez@ci.patterson.ca.us
(209) 895-8075

PROJECT LOCATION: Rogers Road Bridge over the Delta Mendota Canal is located approximately 3 miles west of the center of the City of Patterson, in Stanislaus County, 0.7 miles northeast of the Interstate-5/Sperry Road Intersection.

PROJECT DESCRIPTION: The City of Patterson is proposing to replace the existing two-lane Rogers Road Bridge over the Delta Mendota-Canal (Br. No. 38C0214) with a new two-lane, single span bridge. The Project will construct the bridge substructure (foundations and abutment walls) to accommodate a future widening of Rogers Road to a four-lane facility.

PUBLIC MEETING: The City of Patterson will hold a public meeting on the proposed project and the Mitigated Negative Declaration on Wednesday, April 21, 2021, at 6:00pm via Zoom. Please visit the City website at www.ci.patterson.ca.us for more details.

PUBLIC COMMENT: Comments on this document will be received through **May 7, 2021**. A copy of the proposed Initial Study/Mitigated Negative Declaration is available for public review at the City of Patterson's website (www.ci.patterson.ca.us) or by request. Questions regarding the project and requests for document copies should be directed to Tiffany Rodriguez, Capital Projects Manager.
