AGENCY SCOPING MEETING

**TO: ALL INTERESTED PARTIES**

**SUBJECT: AGENCY SCOPING MEETING FOR THE DRAFT SUPPLEMENTAL ENVIRONMENTAL IMPACT REPORT FOR AMERICAN RIVER PARKWAY NATURAL RESOURCES MANAGEMENT PLAN (SCH# 2021040230; COUNTY CONTROL # PLER2019-00073)**

Sacramento County will be the CEQA Lead Agency for preparation of a Supplemental Environmental Impact Report (SEIR) for a project known as American River Parkway Natural Resources Management Plan (NRMP). The SEIR will supplement the Final EIR, certified in September 2008, for the American River Parkway Plan Update (County Control No. 03-GPB-0332; State Clearinghouse No. 2007032125).

A SEIR is the appropriate CEQA document for the proposed project (i.e. NRMP) pursuant to CEQA (§15163). Only minor additions or changes are necessary to make the previous EIR (County Control No. 03-GPB-0332) adequately apply to the project. The SEIR will contain the information necessary to make the previous EIR adequate for the approval of the NRMP by the CEQA Lead and Responsible Agencies.

This Notice of Preparation was sent to responsible and trustee agencies and involved federal agencies pursuant to §15082 of the CEQA Guidelines, on April 8, 2021.

A scoping meeting will be held on **May 20, 2021, from 1:30pm to 3:30pm**. Agencies should comment on the scope and content of the environmental information that is germane to the agencies' statutory responsibilities in connection with the proposed project.

The meeting will be held virtually via Zoom. Interested parties can join the meeting at:
