

September 22, 2022

TO: Governor's Office of Planning and Research

SUBJECT: DRAFT SUBSEQUENT ENVIRONMENTAL IMPACT REPORT FOR THE AMERICAN RIVER PARKWAY NATURAL RESOURCES MANAGEMENT PLAN (CONTROL NUMBER: PLER2019-00073)

The subject Draft Subsequent Environmental Impact Report (DSEIR) was submitted to the State Clearinghouse with the Office of Planning and Research to begin the public comment/review period on Tuesday, September 20, 2022. The County of Sacramento also posted the DSEIR to our public Project Viewer webpage:

<https://planningdocuments.saccounty.net/ViewProjectDetails.aspx?ControlNum=PLER2019-00073>

The appendices supporting the DSEIR were uploaded to the State Clearinghouse on Wednesday, September 21, 2022, with a duplicate copy of the DSEIR. Sacramento County's Planning and Environmental Review would like to request that the State Clearinghouse:

- **Withdraw the DSEIR posted on 9/21**
- **Add the appendices from the duplicate DSEIR to the original DSEIR posted on 9/20**

If you have questions, or need additional information, please contact Meg de Courcy of this office at (916) 874-6332 or decourcym@saccounty.net.

Sincerely,

[Original Signature on File]

Joelle Inman
Environmental Coordinator
