The City has determined that the project will not result in significant environmental impacts with the implementation of the identified mitigation measures.

Project Description: The proposed project consists of the construction and operation of mixed use development consisting of 392 apartment units and approximately 12,750 square feet of retail uses in the Mixed Use – Commercial (MU-C) zone. Approximately 25% of the apartment units would be designated as affordable (CUP No. 20-02). In order to facilitate this development, the applicant is requesting approval of a Tentative Parcel Map to subdivide the property into four parcels (TPM No. 82243). The project site is located on approximately 26 acres on the west side of 20th Street West between Avenue I and Lancaster Boulevard in the City of Lancaster (Assessor's Parcel Number [APN] 3121-034-025). Mitigation measures have been identified for air quality, biological resources, cultural resources, geology/soils and noise.
