Project Description: (please use a separate page if necessary)

A proposal to develop a cemetery containing a 10.07-acre burial ground with approximately 4,125 tombs to be built in a three phase (86-year) period on a 21-acre parcel located at 3367 Stony Point Road in Santa Rosa, California. The project would also include the construction of a refrigeration building, equipment storage building, columbarium, access roads, parking lot, and memorial plaza. Hours of operation are proposed between 9:00 a.m. to 5:00 p.m., Monday through Sunday. Administrative operations, including scheduling, would be conducted by the church's existing staff. The cemetery expects to host four to six gravesite services per month which would typically be attended by five to 25 people and last less than an hour. Up to four larger gatherings would be conducted per year; the largest of which, for an Easter celebration, would accommodate up to 150 attendees.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
