Project Description

The California Department of Transportation (Caltrans) issued a Director's Order to repair a sinkhole near Clark Street on State Route 174 in Nevada County, at postmile (PM) 10.04. The scope of work is as follows: surface preparation, roadway excavation, failure investigation, backfill with Class 2 aggregate base, place hot mix asphalt, striping, traffic control, and incidental work. The project is needed to avoid the failure or threat of failure to the transportation system and to prevent or mitigate the loss or impairment of life, health, property, and essential public services. Work occurred within Caltrans right-of-way. No disposal required. No consultation or coordination required. No permits required.
