Project Description: *(please use a separate page if necessary)*

The California Department of Transportation (Caltrans) proposes to widen State Route 99 in the City of Tulare from south of the Avenue 200 Overcrossing to north of the Prosperity Avenue Overcrossing between post miles 25.2 and 30.6 in Tulare County. One lane would be constructed in each direction in the existing freeway median to create a six-lane freeway. The existing Paige Avenue Interchange would be reconstructed to a tight diamond layout, and two roundabouts would be constructed on Paige Avenue at Blackstone Street and Laspina Street.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
