Project Title: Well No. 5656-1 Rehabilitation Project Phase 2 (Project)

Project Address: 40-760 Portola Ave nue , Palm Desert, CA 92260

### Project Description:

The Coachella Valley Water District proposes the rehabilitation of Well No. 5656-1. The production well consists of a 16-inch mild steel casing and screen. The purpose of the rehabilitation is to remove scale and mineral buildup and in turn restore the efficiency of the production, as well as improving the water quality of Well No. 5656-1.

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued permit No. 05-20-21PA-005 for the described project on 04/06/2021. A record of approval for the Project is available to the general public at the State Water Board, Division of Drinking Water District Office noted above.

### Exempt Status:

Categorical Exemption(s)

The project is categorically exempt from the California Environmental Quality Act under Class 1 exemption pursuant to California Code of Regulations (CCR), Title 14, Section 15301.

### Reason why project is exempt:

Rehabilitation of an existing facility
