SUBJECT **Eastside Neighborhood School Notice of Preparation Withdrawal**

PROJECT NUMBER RIV-30

The Notice of Preparation was submitted on behalf of the Riverside Unified School District on April 30, 2021, but prior to it being published (while it was showing “Received” status), a recall request was made by the submitter from the ceqasubmit.opr.ca.gov portal website. The submitter also emailed state.clearinghouse@opr.ca.gov for it to be recalled.

Mikayla Vaba from the State Clearinghouse confirmed that the NOP was withdrawn, and that the withdrawal request was made prior to the publication.
