Re: SCH 2021050005 (Additional Documents)

Dear Ms. Vaba:

The City of Hidden Hills is presently circulating a proposed Mitigated Negative Declaration for an infrastructure improvement project on Long Valley Road and the on-ramp to westbound U.S. 101. Yesterday our consultant attempted to upload a series of appendices to the document (which have been available on request). These appendices are in fact additional attachments to the original document, and we request that they be incorporated into the MND submittal.

Thank you for your assistance,

Sincerely,

CITY OF HIDDEN HILLS

City Clerk
