SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2021050409

Project Title: Placer 49 Safety Improvement Project (03-4H600) Additional Submittal (Streambed Alteration Agreement EPIMS Notification No. PLA-39757-R2)

Project Location: The project is located on drainages and wetland tributary to Orr Creek along State Route 49 (SR-49) in the County of Placer, State of California. The post miles (PM) for this project are PLA-49 PM R9.30, R9.90, and R9.94.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number PLA-39757-R2), pursuant to section 1602 of the Fish and Game Code to the project Applicant, the California Department of Transportation.

The project is limited to drainage improvements including roadside ditch realignments and grading to accommodate flows. The roadside ditch realignments and grading work is part of a larger roadway project involving the construction of two roundabouts (one at the Florence/Lorenson Road intersection and the second at the Lone Star Road intersection with SR 49) and the installation of a concrete median barrier between the two roundabouts. Vegetation removal, realignment and grading of the roadside ditches, and RSP installation will be done within the stream channels.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the Lake or Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
