Project Title: City of Huron Water Well Project

Project Applicant: City of Huron

Project Location (include county): Huron, CA; Fresno County

Project Description:

The Project proposes to construct a test water well that would be utilized for the analysis of groundwater within the City of Huron. If the test well proves feasible, it would be converted to a full production well with a desired yield of 1,500 gallons/minute. Once constructed, the Project will provide supplemental water to the City to meet shortfalls from the City's historical allocation of surface water provided by the Westlands Water District. If the underlying groundwater is not rich enough for human consumption, the water will be treated in compliance with the California State Regional Water Quality Control Board standards for the City's drinking water.

This is to advise that the City of Huron has approved the above (X) Lead Agency or () Responsible Agency

described project on August 5, 2020 and has made the following determinations regarding the above described project.

- 1. The project () will (X) will not have a significant effect on the environment.
2. () An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. (X) A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures (X) were () were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan (X) was () was not adopted for this project.
5. A statement of Overriding Considerations () was (X) was not adopted for this project.
6. Findings (X) were () were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

City of Huron, 36311 Lassen Ave., Huron, CA 93234

Signature (Public Agency): [Signature] Title: CITY MANAGER
