COASTAL ZONE SECTION CERTIFIED BY CALIFORNIA COASTAL COMMISSION ON DECEMBER 14, 2017
ESH AND/OR RIPARIAN CORRIDOR OVERLAYS LAST REVISED ON AUGUST 24, 2018

- Environmentally Sensitive Habitat Overlay
- Riparian Corridor Overlay
- ESH Symbol: Monarch Butterfly Site
- Eastern Goleta Valley Planning Area
- Coastal Zone Boundary
- Incorporated City
- Los Padres National Forest

The extent of ESH and RC habitats depicted on the map is approximate and based on known resources at the time of adoption of the map. In some cases, the precise locations of habitat areas are not known (e.g., isolated wetlands, vernal pools, native grasslands) and are therefore not mapped. In addition, chaparral, which covers most of the Rural Area that is not in agricultural production, and other identified ESHs pursuant to EGVCP Policies ECO-EGV-5.2 and 5.4, may not be shown on this map. Before removing vegetation or beginning any activity that requires a permit, including removal of chaparral or other ESHs, which might require a permit absent any proposed development, please consult the EGVCP and Planning and Development staff and/or have an onsite survey completed by a qualified biologist.

Given the small scale of this map, the Coastal Zone Boundary depicted on this map is not intended for the purpose of defining the Coastal Zone Boundary on a parcel level
