NOTICE OF EXEMPTION

To: State Clearinghouse
1400 Tenth Street
Sacramento, CA 95814

From: Sunnyvale School District
825 West Iowa Avenue
Sunnyvale, CA 94086

Project Title: Cherry Chase Elementary School Exterior Improvements Project

Project Location: Cherry Chase Elementary School, 1138 Heatherstone Way

Project Location – City: Sunnyvale, CA 94087

Project Location – County: Santa Clara County

Name of Public Agency Approving Project: Sunnyvale School District

Name of Person or Agency Carrying Out Project: Sunnyvale School District

Lead Agency Contact Person: Rob Smiley

Phone Number: (408) 522-8225

Description of Project: The Sunnyvale School District proposes to install a digital marquee sign at the Cherry Chase Elementary School entrance on Heatherstone Way. The sign would be 4 feet tall and 8 feet wide and would be mounted 3.5 feet above finished grade. The proposed sign would be located within the existing elementary school campus boundary. Additionally, the project will include new fencing for improved site security, repainting the existing buildings, and minor landscaping.

Exempt Status: One or more of the following Categorical Exemptions are applicable to the proposed project:

Class 1 - Section 15301. Existing Facilities: Operation, repair, maintenance or minor alterations to existing public and private facilities involving no or negligible expansion of existing or former use.

Class 2 - Section 15302. Replacement or Reconstruction: Replacement or reconstruction of structures and facilities where the new structure will be located on the same site for substantially the same purpose.

Class 4 - Section 15304. Minor Alterations to Land: Minor public or private alterations in the condition of land, water, and/or vegetation that does not involve the removal of healthy, mature, scenic trees.

Class 11 - Section 15311. Accessory Structures: Construction or replacement of minor structures accessory to existing commercial, industrial, or institutional facilities including on-premise signs.

Class 14 – Section 15314. Minor Additions to Schools: Minor additions to schools within school grounds where the addition does not increase student capacity by more than 25 percent or ten classrooms.

Class 30 - Section 15330. Minor Actions to Prevent, Minimize, Stabilize, Mitigate, or Eliminate the Release or Threat of Release or Hazardous Waste or Hazardous Substances: Any minor cleanup actions taken to prevent, minimize, stabilize, mitigate, or eliminate the release of hazardous waste or substances which are small or medium removal actions costing \$1 million or less.

Reasons Why Project is Exempt: The proposed Cherry Chase Elementary School Exterior Improvements Project and marquee sign would not introduce a new use onto the campus or result in an enrollment increase. Per section 15300.2 of the CEQA Guidelines, it has been determined the project is not located on a hazardous waste site and the project would not affect environmental resources of hazardous or critical concern, result in a significant impact due to unusual circumstances, damage scenic resources, affect a historic resource, or result in a cumulative impact. For these reasons, the project is exempt from the provisions of CEQA.
