---

**Project Title/File No:** Valley Sanitary District Sewer Main Rehabilitation and Replacement Project

**Project Location:** The projects are located within the service boundaries of Valley Sanitary District and within existing public right of way (ROW) or sewer main easement. Most projects are within the City of Indio with some in the City of Coachella and County of Riverside.

**Project Applicant:** Valley Sanitary District  
45-500 Van Buren Street  
Indio, CA 92201

**Project Contact:** Ron Buchwald, P.E., Engineering Services Manager  
Phone: (760) 238-5400

**Project Description:** Valley Sanitary District (VSD) has developed a district-wide list of pipeline replacement projects. The purpose of these projects is to repair, rehabilitate, replace and/or realign aging or defective pipelines and/or segments projected to reach capacity within the foreseeable future. To date, VSD has identified a total of 371 segments or point locations throughout the District's service area that comprise the current list of repair/replacement projects

---

This Notice serves as the Valley Sanitary District Notice of Intent to adopt a Mitigated Negative Declaration for the proposed Sewer Main Rehabilitation and Replacement Project. Valley Sanitary District has performed a comprehensive evaluation of the potential impacts for this project in accordance with California Environmental Quality Act (CEQA), State *CEQA Guidelines* and applicable state and federal regulations. The Initial Study/Mitigated Negative Declaration does not identify any significant effects associated with adoption and implementation of the Sewer Main Rehabilitation and Replacement Project after implementation of the proposed mitigation measures.
