Project Location:

The proposed project consists of demolition of some sports facilities and construction of a new sports complex with 3,000 bleacher seat capacity and nighttime sporting lighting. The project would require demolition of 9 basketball courts, 10 tennis courts, softball field, discus area, shot put throw area, and 3 large storage containers. The Field lighting would consist of four 90-foot high poles and speakers would be mounted on the four light poles with two speakers per pole for a total of eight speakers. The sports complex would also include a 4,295-square-foot, 19-foot, 4-inch-tall concession building with a team room, public restrooms, ticket sales, concessions, concession storage, general storage, and utility rooms. Other facilities such as a discus cage and ring, and a shot put throw ring would be provided. An 8-foot high chain link fencing would surround the project site with six exits.
