- Categorical Exemption. (CEQA Guidelines Sec. 15301);
- Statutory Exemptions. (Public Resource Sec. 21080(b)(4); CEQA Guidelines Sec. 15269(c));

Reasons why project is exempt:

Westlands Water District has determined that this project is exempt from CEQA pursuant to Public Resources Code Section 21080 (b)(3) and CEQA Guidelines Section 15269(a) for the following reasons:

On May 10, 2021, Governor Newsom declared a Proclamation of a State of Emergency (Proclamation) to address the severe drought condition, in particular the Central Valley. Government Code section 8571 authorizes the Governor to suspend certain regulatory requirements, including CEQA, under emergency conditions. The Proclamation orders the State "to expeditiously consider requests to move water to areas of need, including requests involving voluntary water transfers, forbearance agreements, water exchanges, or other means," and suspends CEQA for purposes of carrying out or approving this and other directives. The transfer will carry out this directive and will prevent or mitigate the impacts of the drought emergency.

The transfer is statutorily exempt from CEQA pursuant to Public Resources Code section 21080(b)(4) and CEQA Guidelines section 15269(c) because it involves specific actions necessary to prevent or mitigate the drought emergency. The transfer also is categorically exempt from CEQA pursuant to CEQA Guidelines section 15301 because it involves operation of existing facilities with no or negligible expansion of use.
