**Present Land Use/Zoning/General Plan Designation:**

Medium Density Residential (MDR)/RS-D15: Suburban Residential (minimum 1,500 square feet per dwelling unit)

**Project Description:** (please use a separate page if necessary)

The Hayward Area Recreation and Park District (HARD) proposes to develop a new neighborhood park in the Ashland community in unincorporated Alameda County. Proposed improvements include: picnic areas, walkway, open turf area, children's play areas, demonstration gardens, outdoor workspaces, terraced seating, landscaping, lighting, shade structures, fitness area, gathering area, and associated utilities. The project site is currently developed and consists of several single-family residences constructed between 1930 and 1960, a small office structure, a small storage shed, a car port, two storage containers, and an automotive repair shop with a roll-up garage door. Prior to park development, treatment of lead and PCB-impacted soils would be required either through full removal or partial removal and capping of the remaining soil.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

## Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".  
If you have already sent your document to the agency please denote that with an "S".
