San Bernardino, CA 92415

Project Title: Central Coast Water Authority and Mojave Water Agency 2021 Transfer of Article 56 Carryover Water

Location – Specific: Existing State Water Project (SWP) facilities to existing turnouts in Santa Barbara County. The SWP includes facilities located throughout the State of California. The SWP is owned and operated by the California Department of Water Resources (DWR), headquartered in Sacramento, California. Santa Barbara County Flood Control and Water Conservation District (Santa Barbara) contracts with DWR for the delivery of SWP water to Santa Barbara County. The Central Coast Water Authority (CCWA) has assumed responsibility for Santa Barbara's SWP contract. CCWA is headquartered in Santa Barbara County and CCWA's service area is located in Santa Barbara County. The Mojave Water Agency (MWA) contracts with DWR for the delivery of SWP water to San Bernardino County. MWA is headquartered in San Bernardino County and MWA's service area is in San Bernardino County.

Location – County: Santa Barbara and San Bernardino Counties

Description of Activity: Due to prolonged drought conditions and low SWP "Table A Amount" for 2021, CCWA currently needs additional water supplies to supplement its 2021 supplies. MWA will make available up to 1,310 acre-feet (AF) of MWA's "Article 56 Carryover Water" for transfer to CCWA. CCWA will pay MWA a rate of \$1,000 for every AF of water purchased, which will occur on execution of an agreement with DWR which incorporates the terms and conditions of the transfer. The San Luis Reservoir shall be the point of transfer, which will occur by means of a recalculation of MWA's and CCWA's respective Article 56 Carryover Water storage balances in San Luis Reservoir. The water is to be delivered and used within CCWA's service area by December 31, 2021.

Name of Public Agency Approving or Carrying Out Activity: Central Coast Water Authority. Other approving agencies include: California Department of Water Resources, Santa Barbara County Flood Control and Water Conservation District, and Mojave Water Agency.

Exempt Status:

- Ministerial
- Declared Emergency
- Emergency Project
- Categorical Exemption
- Statutory Exemption (Not a Project Under CEQA)

Reasons why activity is exempt:

- a. The transfer will facilitate the delivery of SWP water from one SWP contractor to another, using only existing facilities in Santa Barbara and San Bernardino Counties and is intended to meet existing uses of water and would not support new development or a change in land use. (14 Cal. Code Regs. §§ 15061(b)(3), 15301.)
- b. The transfer is entirely within the authorized SWP place of use.
