Project Description (Proposed actions, location, and/or consequences).

Description - A Site Plan to allow for the construction of an apartment complex with 18 buildings consisting of two-story and three-story structures with a total of 272 attached dwelling units on an approximately 22-acre building site.

Location - West of and abutting Ridgecrest Road between Chinquapin Drive and Landis Drive (APN No. 3090-501-03)

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The proposed apartment complex development will not create any significant impacts with the included mitigation measures as proposed. Mitigation measures have been included in the Initial Study and Draft Mitigated Negative Declaration regarding Air Quality, Biological Measures, Cultural Resources and Tribal Cultural Resources, Geology and Soils, and Transportation that will reduce any potential impacts to a level of less than significant.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

Joshua Trees were identified within the project vicinity; however, mitigation measures have been included to address this issue. No additional known areas of controversy conveyed to City Staff at this time.

Provide a list of the responsible or trustee agencies for the project.

Mojave Water Agency, Lahontan Regional Water Quality Control Board, California Department of Fish and Wildlife, Victor Valley Wastewater Reclamation Authority, and Mojave Desert Air Quality Management District.
