The residential population in the Wilshire area is of 250,000 plus. The officer to resident ratio is 1 officer to every 976 residents (976:1). This information is for a residential impact for a 13.97 square mile area. This population amount does not reflect citizens from outside the area visiting local businesses, churches, residences and educational institutions.

Additionally, department wide, the Los Angeles Police Department currently has 9,506 sworn personnel and 2,566 civilian employees. These city police employees cater to a Los Angeles City population of approximately 3,966,936. This population amount is current as of May 21, 2020 (according to 2014-2019 American Community Survey and The US Census). Additionally, this amount does not include non-residents, but only reflects those individuals that responded to the 2014 Census. This population also equates to a resident to officer ratio of 396.9 residents for every 1 officer (396.9:1). 3,966,936 depicts a firm registered value of the population for the City of Los Angeles. However, this number can also be fluid.

**Divisional Support and Communication:**

There are many specialized support units, divisions and services available to Wilshire Division within the LAPD (i.e., Air Support, Detectives, K9 and Metro / SWAT) to support any additional policing needs. These services are available to supplement and complement the division's policing services. In utilizing these available resources, the Los Angeles Police Department can meet the demands for police services for the TVC 2050 Project.

Wilshire Area Community Police Station's emergency response system is directly linked to the Los Angeles Police Department's Communication Dispatch Center. Communication Division has the responsibility to staff the Dispatch Center with incident trained personnel that will respond to radio and telephoned calls for service. They would then dispatch these requests to the proper emergency personnel involved, to provide them with the necessary information to execute their duties.

These operations are performed on a 24 hour a day, 7 days a week, 365 days a year basis. This includes 911 emergency calls (police, fire and medical). In referencing Communication Division, their main area of concentration is to manage, and dispatch police calls for service.

Communication Division's Emergency Operations Center (EOC / DOC), also works in concert with The Los Angeles Fire Department's (LAFD), Metropolitan Fire Communications Center (MFC). Additional emergency response entities that Communication Division interacts with are, Los Angeles County Fire (LACoFD), Los Angeles County Sheriff Department (LASD) and other regional agencies, to ensure coordinated responses to emergency incidents.

**Divisional Response Times:**

According to the Los Angeles Police Department's Computer Statistics (CompStats) Division, the average police response time to emergency, high priority calls in the Wilshire Division Area (Code 3 calls) was 4.7 minutes (as of January 23 to February 19, 2022). This was done with a dispatch median time of 1.6 minutes. The medium high priority response time (Code 2) was 17.1 minutes. This was done with a dispatch median time of 3.9 minutes. Low priority, non-emergency response times was 37.7 minutes. These low priority calls had a dispatch median time of 13.9 minutes.

Citywide response times during this same week period were 4.8 minutes for emergency, high priority calls with a dispatch median time of 1.5 minutes. The medium high priority response times were 16.0 minutes with a dispatch time of 5.0 minutes. Low priority response times were 34.1 minutes with a dispatch time of 14.9 minutes.

These response times were taken from the statistics submitted by Wilshire Division and CompStats for a 4-week period between January 23, 2022 through February 19<sup>th</sup>, 2022.

During this same 4-week period, Wilshire Division answered 309 High emergency calls for service, 309 medium high priority calls and 381 low priority calls. Citywide, the Los Angeles Police Department answered 7122 High emergency calls for service, 27324 medium high priority calls and 25372 low priority calls.
